Riverwalk Compost Program Guidelines

The Riverwalk Compost Program is IUPUI’s first residential composting program, offered in partnership between IUPUI Sustainability, Housing and Residence Life, Residence Hall Association, Graduate and Professional Student Government (GPSG) and Earth Mama Compost. This program, offered exclusively to residents of Riverwalk Apartments and Townhomes, is intended to demonstrate the ability of IUPUI students to successfully compost from residential living units.

Eligibility
Only current residents of Riverwalk Apartments and Townhomes are eligible to participate in this program.

Cost of Participation
Participation in the Riverwalk Compost Program is offered to the residents free of charge. The costs of materials and compost service pickup have been generously subsidized by the IUPUI Graduate and Professional Student Government (GPSG).

How to Sign Up
Riverwalk residents interested in signing up for composting services may do so by submitting the sign-up form found on the program webpage: http://go.iupui.edu/riverwalkcompost

Sign up applications will be accepted on a rolling basis, which means you can sign up any time during the academic year. Applicants can expect to receive a confirmation email shortly upon signing up, and a follow up email with further instructions within 1 – 2 weeks.

Materials
All composting materials will be provided to applicants within 1-2 weeks of signing up. Instructions for delivery of materials will be included in the confirmation email.

Composting materials include:
- Compost Basket
- Basket Liners
- Educational Materials
- Pickup Calendar

If extra compostable basket liners are needed, they can be picked up at the front desk of the Riverwalk Community Office at any time.

Roommates
The Primary Applicant’s roommates are not required to participate, but they must have the opportunity to partake if they wish to. If roommates will be participating, they must read program guidelines and review educational materials to prevent contamination.

Questions? If you have any further questions about the guidelines of the Riverwalk Compost Program, please reach out to IUPUI Sustainability via email (sustindy@iupui.edu) or phone (317) 278-1308.
